Subject: Major, Recurring Federal Awards for State Fiscal Biennium 2015-17

Attached is a list of the Major, Recurring Federal Awards for State Fiscal Biennium 2015-17 and the State Departments designated by the Department of Budget and Finance (B&F) as the authorized prime recipient. Major, recurring federal awards are to be budgeted and accounted for as MOF "N". The attached list is based on the Federal Budget for Federal Fiscal Year 2014 as Congress has not yet passed a budget for the Federal Fiscal Year 2015.

If your department has been designated as the authorized prime recipient for a federal award you should review the requirements for each award assigned to you. If upon reviewing the requirements of a federal award you determine that your organization does NOT have the capacity to manage a federal award you should notify the Director of Finance by September 30, 2014. The Director of Finance may decide to assist you to improve your capacity to manage a federal award, may re-assign the federal award to another state organization (if possible), or may decline the acceptance of a federal award.

If you have any questions or would like to make corrections to the listing please contact Mark Anderson at 586-3035 or manderson@dbedt.hawaii.gov.
