Subject: Major, Recurring Federal Awards For FY 2014-15

Attached is a list of the major, recurring federal awards for FY 2014-15 and the State Departments designated by the Department of Budget and Finance (B&F) as the authorized prime recipient. Beginning in Fiscal Year 2014, major, recurring federal awards are to be budgeted and accounted for as MOF "N".

If your department has been designated as the authorized prime recipient for a federal award you should review the requirements for each award assigned to you. If upon reviewing the requirements of a federal award you determine that your organization does NOT have the capacity to manage a federal award you should notify the Director of Finance by June 30, 2013. The Director of Finance may decide to assist you in improving your capacity to manage a federal award, may re-assign the federal award to another state organization (if possible), or may decline the acceptance of a federal award.

The State of Hawaii utilizes information from the Federal Fund Information Service (FFIS) to identify the list of "major, recurring federal awards." The Federal Funds Information for States (FFIS) is a subscription service created jointly by the National Governors Association and the National Conference of State Legislatures that tracks and reports on the fiscal impact of federal budget and policy decisions on state budgets and programs ([www.ffis.org](http://www.ffis.org)).

If you have any questions or would like to make corrections to the listing please contact Mark Anderson at 586-3035 or [manderson@dbedt.hawaii.gov](mailto:manderson@dbedt.hawaii.gov).
